MOLASSES SUPPLEMENT  
FOR DAIRY CATTLE

**REGISTRATION No. # 580465**

NET WEIGHT - Litres (1.28 Kg/Litre @ 20°C)

***Guaranteed Analysis***

Protein	(min)	10.0%
ECP from NPN	(max)	3.0%
Fat	(min)	1.5%
Sugars (Invert)	(min)	30.0%
Calcium	(actual)	0.40%
Phosphorus	(actual)	0.63%
Potassium	(actual)	2.00%
Magnesium	(actual)	0.35%
Iron	(actual)	205 mg/kg
Zinc	(actual)	400 mg/kg
Manganese	(actual)	50 mg/kg
Copper	(actual)	35 mg/kg
Iodine	(actual)	4 mg/kg
Cobalt	(actual)	2 mg/kg
Moisture	(min)	50%

The viscosity of this product will vary inversely with temperature

**INGREDIENTS**

Sugarcane Molasses, Condensed Fermented Corn Extractives, Condensed Corn Distillers Solubles, Sugar, Phosphoric Acid, Urea, Magnesium Sulfate, Zinc Sulfate, Propylene Glycol, Xanthan Gums, Ferrous Sulfate, Copper Sulfate, Manganese Sulfate, Cobalt Carbonate, Ethylenediamine Dihydrochloride (EDDI), Potassium Sorbate, Caramel Flavouring (Reg. #980216)

**FEEDING DIRECTIONS**

Add DAIRY/GOLD Rumen Enhancer to the TMR at .5kg to 1kg per head per day. Inclusion rate is dependent on the levels of readily available protein, in the finished ration. Mix thoroughly with the forage portion of the ration.

DAIRY/GOLD Rumen Enhancer may be fed top-dress as an intake enhancer or added to a grain ration. Add at levels based on desired moisture levels of the finished ration.

\*Balance feed rations based on accurate forage analysis and nutrient values.
